Your one-stop Human Resource Management System

## We are here to help you

Payboy is a cloud-based HR software that allows you to automate your HR operations. With Payboy, you can forget about the dreaded paperwork and excel spreadsheets.

### What we provide

#### Automated Payroll

Customised & Error-free  
payslips with a simple click

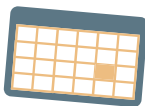

#### Mobile Application

Quick and easy access for your  
employees to manage all their  
HR matters

#### Leave & Claims Management

Track all leave & claims in a  
common portal

#### Attendance Tracking

Use location-fencing and  
facial-recognition to track employee  
attendance
